

# KOR-CHEM

## GRAPHIC ARTS DIVISION

Kor-Chem Graphic Arts Division is part of a privately held corporation that has been dedicated to serving customers with innovative product development and high quality printing inks, coatings and pigment dispersions since 1972.

With Kor-Chem, our customers have come to expect the highest level of quality, technology and customer focus. We take great pride in our dependable product quality, rapid turnaround time and ability to partner with you to create customized solutions. Count on us to continuously deliver better solutions tailored to meet your specific needs.

You go to great lengths to make your products different and better than the rest. Don't you want to do business with a company that will do the same for you?

## SOLVING THE CHALLENGES OF TODAY AND TOMORROW

At Kor-Chem, we understand that every customer's challenges and requirements are different. That's why our concentrated market focus and dedication allow us to truly be technical experts in our fields:

- Narrow & wide web flexography
- Screen printing
- Labels & shrink sleeves
- Flexible packaging
- Folding carton packaging
- Envelopes
- Pipe coatings
- Floor coatings
- Pigment dispersions

## PROVIDING CUSTOMIZED INNOVATIVE SOLUTIONS

We prefer a different approach, one of developing products based on the individual needs of our customers. Kor-Chem's Graphic Arts Division works closely with our customers to create and manufacture custom solutions. By partnering with us, we can jointly define the standards and specifications needed for your specific end use application with the following technologies.

- Flexographic inks
- Plastisol inks
- Solvent borne inks
- Energy curable inks
- Fluorescent inks
- Press washes
- Ink removers
- Gravure inks
- Pigment dispersions
- Water based inks
- Over print varnishes
- Metallic inks
- Anilox cleaners
- Emulsion removers

## PARTNERING FOR SUCCESS

Business today is increasingly complex with shorter lead times, smaller orders and tighter specifications becoming the new normal. Kor-Chem knows how to add value through custom product development, technical support, on site consulting and employees dedicated to customer satisfaction. At Kor-Chem, we are here to meet your needs but always strive to exceed your expectations.
