

MULTI-PURPOSE OXYGEN POWERED STAIN REMOVER

DESCRIPTION

Oxy Power is a non-chlorinated, color safe oxygen powered stain removing powder. A multi-purpose product that may be used for pre-treating, pre-soaking or in the wash as a combination with detergent. Oxy Power is formulated with oxygen crystals that effectively and efficiently target stains and soils. The oxy crystals are activated with water and easily penetrate, lift and remove all types of soils. Oxy Power is highly effective and works on a wide variety of fabric, carpet and hard surfaces.

DIRECTIONS

Use in laundry washer with detergent: Select proper water temperature and machine settings for fabric color and type. Add 2 to 6 oz. per 100 pounds of laundry. Adjust concentration as necessary. Allow for 8 to 12 minutes of contact at the highest wash temperature. *Up to 1,600 loads per 50 lb. pail when used at 0.5 oz per laundry load.

Pre-Treating & Pre-Soaking fabric: Mix 1-3 oz of Oxy Power per gallon of warm to hot water. Make sure all of the powder is fully dissolved. Apply solution to the fabric and rub to remove the stain and wait up to 10 minutes. Do not allow to dry on the fabric. For pre-soaking, allow item to soak from 1 to 6 hours depending on the severity of the stain. Wash item with normal laundry load with Oxy Power and detergent.

Hardsurface cleaning: Mix 2-4 oz of Oxy Power per gallon of warm to hot water. Adjust concentration as necessary. Make sure all of the powder is fully dissolved. Apply solution by spray, sponge or mop and agitate the area to be cleaned. Allow the solution to stand for up to 30 minutes and rinse with clear water.

ADVANTAGES

- High Efficiency compatible
- Dye and fragrance free
- Chlorine free
- Multi-purpose formula
- Low foam and free rinsing

TYPICAL PRODUCT CHARACTERISTICS

Appearance -----	White free flowing powder
Scent -----	Unscented
pH, 1% solution -----	11.0
Foam -----	Low
Flashpoint -----	None
Emulsification -----	Low
Risibility -----	Excellent
Stability -----	Excellent
Solubility -----	Complete
DOT shipping -----	Non-hazardous
