

ProClean

biodegradable stain remover & degreaser

DESCRIPTION

ProClean is a concentrated cleaner designed to remove all remaining stains from screens during the reclaiming process. ProClean will degrease the screen and help prevent ghost images from occurring. Truly a must have for textile printers.

ADVANTAGES

- Fast, efficient removal of haze
- Biodegradable
- Low cost per usage
- Safe for user
- Eliminates extra degreasers

DIRECTIONS

Apply ProClean by spray, towel or brush onto print contact side of the screen. Scrubbing both sides of the screen usually produces better results. Immediately apply a high pressure rinse working from side to side and bottom to top. A final flood rinse over the entire frame and mesh is recommended to remove any trace of chemicals. Allow to dry completely before reusing.

TYPICAL PRODUCT PROPERTIES

Appearance ----- Clear, amber liquid
Odor----- Cherry
pH -----N/A
Flash Point ----- 164°F
Specific Gravity ----- 1.08
Weight, per U.S. gallon -----9.0 lbs.
Stability ----- Stable
DOT Shipping ----- Non-hazardous

AVAILABLE PACKAGE SIZES

55 Gallon Drum -----#01474-D5505
30 Gallon Drum -----#01474-D3004
5 Gallon Pail ----- #01474-P5010
4x1 Gallon Case -----#01474-C4201
