

ProWipe

spray & wipe press wash

DESCRIPTION

ProWipe is designed to open dried or clogged images on the screen during the production run. ProWipe is great for use on a variety of inks without harming the emulsion. Excellent for press side wash up, color changes and as a pre-step to color changes.

ADVANTAGES

- Fast acting
- Non-flammable
- Safe for employees
- Pleasant cherry scent

DIRECTIONS

Spray or wipe the affected area with ProWash on the ink side of the screen. Continue to wipe the area, turning the towel frequently until dry. Before resuming printing, always test your print quality on test materials to ensure all residue has been eliminated.
