

Roller Clean

Low VOC Roller Wash

DESCRIPTION

A superior solvent and key component in any press maintenance system. This fast drying solution contains no toluene, and deep cleans offset blankets and rollers of glaze, lacquer, and dried ink for less downtime and quick start-ups. Can also be used to clean dampener rollers. Time saving solvent is suitable for all sheet-fed and web presses.

ADVANTAGES

- Low VOC formula
- Contains no regulated toxins
- Does not contain surfactants
- Extremely effective on all inks and cure methods
- Non-flammable

DIRECTIONS

Apply with a saturated cloth or wash up attachment. Use at least once a week to maintain quality printing. Note: Product must be used with caution around press plates. The product's high solvency may destroy lacquered images and cause plates to bind.

TYPICAL PRODUCT PROPERTIES

Appearance ----- Clear, slight amber liquid
Odor----- Slight solvent
pH -----N/A
Flash Point ----- 142°F
Specific Gravity ----- 0.85
Weight, per U.S. gallon -----7.1 lbs.
Stability ----- Stable
DOT Shipping ----- Non-hazardous

AVAILABLE PACKAGE SIZES

55 Gallon Drum -----#02872-D5505
5 Gallon Pail ----- #02872-P5010
4x1 Gallon Case -----#02872-C4201
