KOR-CHEM
GRAPHIC ARTS DIVISION

DEEPWASH

FLEXOGRAPHIC CLEANERS

EXCEPTIONAL CLEANING PERFORMANCE

Powerful formulas designed to tackle waterborne, LED, UV, and solvent-based inks, ensuring thorough cleaning of anilox rolls, plates, press parts, and more.

VERSATILE & ECO-FRIENDLY

Highly concentrated or ready-to-use solutions that minimize product usage and save time, while being safe, non-toxic, and easy to handle.

COST EFFECTIVE & USER-FRIENDLY

Suitable for various cleaning applications, from manual to machine cleaning, with biodegradable, VOC-compliant options for eco-friendly operations.
